Western Heavy-weight Will Battle Jess Willard for Championship.

### TO BE HELD IN OPEN AIR

By ED. CURLEY.

New York, Nov. 23.-Fred Fulton the big Western heavy-weight, will be the next opponent of Jess Willard, the world's champion. The tall sycamore from the wilds of Oklahoma will fight the champion twenty rounds. The affair will be staged in New Orleans during Mardi Gras, the first week in March. For his part of the scrap Willard will receive a guaran-tee of \$30,000. He will get an additional \$2,500 for expenses with the privilege of a big percentage. What Fulton will get for his services remains a secret between the fighter and the promoters.

This startling news was furnished today by Tom Jones, manager of Wil-lard. He received a wire from Tom-

Officials in charge of the Mardi Gras have decided to make the fight a big drawing card and will not hold the daily parade on the day of the battle. They will advertise the fight in conjunction with the Mardi Gras. This means that Moran half fare from all points within 500 miles infense. of New Orleans and one and one-third fare from any point in the United States.

Fulton, being a strong card around Chicago, Milwaukee, and other big Western cities, it is expected that special trains will carry hundreds down to see the latest aspirant for the title in action. Willard is a big attraction in New Orleans. He appeared down there with the 101 Ranch in four shows and drew an average attendance of 8,400. The fact that he is going to defend his world's title appears to be magnet enough to AND MU WIN
